

## New Ecommerce Site For Connector Kits

We are excited to announce a new enhanced capability website that will allow customers worldwide to directly and quickly specify and order [BIRNS Millennium™ connector kits online](#). We've made significant site design investments, making the experience educational and intuitive, and providing tools that give a clear, swift path to selecting what is needed for a specific requirement.

[BIRNS Millennium Interconnect Catalog](#)

In addition to connector kits, the new site includes related high- and low-pressure caps, mounting nuts, O-rings and installation tools, along with associated wiring worksheets and downloadable configuration drawings. ABS Product Design Assessment (PDA) certified [NPT penetrators](#) are also available on the e-commerce site, and all custom orders and cable assemblies will still be ordered directly through the BIRNS sales department.

## Breana Chhay Wins 2022 BIRNS Scholarship

[BIRNS Scholarship program information](#)

The company is proud to share that the latest recipient of its Debra K. Geist Memorial Scholarship is Breana Chhay. Chhay is heading to USC in the fall and is an outstanding student, leader and athlete.
